

MARYLEBONE 5

CREATIVE APPROACHES TO LEARNING

CURIOUS

- I ask specific questions
- I listen carefully
- I use all my senses
- I do my own research
- I explore related ideas/themes
- I discuss ideas with other people

- I do more than required
- I love to learn
- I don't accept the first answer I find
- I dig deeper
- I challenge the status quo

RESPONSIVE

- I learn from my mistakes
- I think about what has gone well in the past to build on my success
- I work sensitively with others, thinking about their experiences

- I take responsibility for my part
- I listen carefully to other people's ideas
- I use the feedback I have received from my teachers/friends etc.
- I reflect on my experiences and use the information

COMPASSIONATE

- I listen carefully to others
- I show care for others
- I respect different opinions
- I am open-minded
- I can make fair decisions

- I compromise
- I listen and adjust my thinking
- I encourage cooperation
- I can regulate my emotions

IMAGINATIVE

- I can use 'what if' questions
- I enjoy experimenting
- I am inventive
- I express myself in a variety of ways

- I am inspired by different experiences
- I am flexible in my thinking
- I can make unusual connections
- I value the unlikely or impossible

COURAGEOUS

- I look forward to challenges
- I see mistakes as temporary setbacks
- I stick at tasks even if they are difficult

- I begin tasks confidently even though I know I may make mistakes and get things wrong
- I set the bar high and take risks
- I understand my fears and stick with my plan even if it's scary
